

Follow the road through the parking lot and past the main entrance of Bastyr. Go up the hill and around the water tower, **keeping to your left** when the road veers off to the right towards the bottom of the hill. Park in the designated parking spaces next to the Handicapped parking on your left—not in the gravel. The parking spots have signs saying “Reserved for Research”. We are on the 1st floor of the two-story building . If the reserved spots are full, you can park anywhere but you need to pick up a parking pass at the clinic front desk and put it in your car window.

The entrance is the door under the awning.

Please call 425.602.3311 if you get lost.
